

EASY PRIVATE LABEL
HAIL EUROPE

MAKE IT EASY

Personalized / Fast delivery / Low order quantities

A strong brand is reflected in every detail. From the first welcome to the smallest gesture, everything contributes to the guest experience. EASY Private Label makes it possible to translate this experience into personal care products that fully align with your brand's identity.

Without the need for large inventories or long lead times, everything comes together in a stylish bottle made from 100% recycled plastic, finished with a popular fragrance. You can choose the bottle design and scent that best aligns with your brand identity. The label completes the look: subtle, personal, and perfectly aligned with the experience.

The essence of a personalized guest experience.

CUSTOMIZE

The personal care products are fully developed and optimized for quality, ease of use, and popularity. This allows for a brand experience without long leadtimes and large inventories. All that remains is choosing the product, the fragrance, and the design. This can be done in two ways: Pre-Designed and Made for You.

1. PRODUCT

YOUR COSMETICS

Shampoo, body wash, conditioner, skin lotion & hand soap

All products are:

- Vegan
- Free from colorants
- Enriched with nourishing oils

2. BOTTLE/SCENT

YOUR BOTTLE & SCENT

- 400 ml / Botanic
- 500 ml / Comfort

3. DESIGN

PRE-DESIGNED

- Standard layout (p.7)
- Share your logo, text, fonts & colors
- No design fees

MADE FOR YOU

- Share logo & preferences
- Get designed proposals
- Select your design

4. DELIVERY

WITHIN TWO WEEKS

After design approval

Even a subtle design can make the biggest difference
to the experience your guests have.
